

# Vivek Vidyalaya & Junior College

Siddharth Nagar, Goregaon West, Mumbai - 400104

Dear Students,

Greetings from the Management & Principal.

We wish to inform you that, in alignment with the vision of the National Education Policy (NEP) and as part of our continuous efforts to prepare students for the modern and competitive academic and professional environment, we will be introducing a uniform dress code for Junior College students from the forthcoming academic year (2026 - 2027).

This initiative from our Principal & our Management aims to promote discipline and a focused learning atmosphere while helping students develop a sense of responsibility, unity, and professional outlook – qualities that are essential in today's competitive world.

We are confident that this step will contribute meaningfully to your holistic development and readiness for future opportunities.

With best wishes for your academic success.

**Management & Principal**
